Nevis Computers...the complete service

*" We offer a complete solution for computer users with unrivalled service and support."*

### Nevis Computers - Making it Simple

**From the outset we make choosing a computer really simple. We will discuss your requirements with you to ensure that you are supplied with a system that exactly matches your needs and budget.**

We offer the very best in computing and software solutions and manufacture our own range of outstanding desktop computers using technology from the world's largest companies. All our computers include a three year warranty.

Whether you buy them with your computer or wish to purchase later, we can also supply Laser and Colour Printers, Ink Cartridges, CD Writers, Scanners, Cameras and Software.

A delivery and installation service is also provided to complete your package.

As a Microsoft® Certified Partner and Intel® Product Integrator, we offer expert and comprehensive support for these leading products.

### Support and Maintenance

Not only are we able to call at your home or business to investigate faults, test or configure your computer system, our local workshop can handle any repairs and upgrades quickly and efficiently - and technical support is only a phone call away.

*We aim to provide a same-day service.*

### Internet Services - Connecting You

We have a wide range of packages to offer you the most flexible and affordable ways of hosting your website and receiving e-mail. We can also design your website, optimise and promote it to ensure that the search engines will find it. In addition, connecting to our broadband services with their faster data transfer speeds will make your surfing experience far more enjoyable.

*When you buy a computer from Nevis you get a first class service and peace of mind.*
